In no event shall the User be entitled to recover for contingent expenses resulting from, but not limited to, telephone calls, telegrams, travel expenses, lodging, freight, duties and taxes, labor, rental or replacement equipment, loss of business or profits or other commercial losses. This Limited Warranty sets forth the exclusive remedies of User for all claims in relation to a Covered Charger. Except as otherwise expressly provided in this Limited Warranty, all transportation and handling charges incurred in connection with shipment of the Covered Charger to the GNB service center and the return shipment of the Covered Charger are the responsibility of the User. GNB will bear costs for shipment of a returned or repaired Covered Charger if the Covered Charger is returned for warranty service within 12 months of the initial shipment date of the Covered Charger from the GNB factory.

USE OF DEFECTIVE PRODUCT: Excluding the replaceable power modules, continued use of a Covered Charger after discovery of a defect will void all warranties. Operation may continue with failed power modules, but the charger should be professionally serviced as soon as possible
